

LEGOLAND New York Resort

Charging Destination Information:

Location: Goshen, NY

Industry: Hospitality

Charging Access: Public

Use Cases:

- Tourism
- Visitor charging
- Workplace charging

Infrastructure Hardware:

- Four (4) 6.656 kW Level 2 Charging Ports

Overview & Goals:

LEGOLAND Resort enhances the guest experience by offering overnight EV charging, allowing travelers to make the most of their visit without worrying about where to charge their car.

With charging seamlessly integrated into their stay, EV drivers can avoid detours and focus on enjoying their time at the resort. By offering this amenity, LEGOLAND Resort is future-proofing its guest experience, positioning itself ahead of the curve as EV charging becomes a standard feature for hospitality destinations.

Rebates & Incentives:

- Make Ready Incentive **\$ 35,108**
