

Mid-Hudson Library System

Charging Destination Information:

Location: Poughkeepsie, NY

Industry: Municipal

Charging Access: Public

Use Cases:

- Community charging

Infrastructure Hardware:

- Four (4) 6.656 kW Level 2 Charging Ports

Overview & Goals:

The Mid-Hudson Library System chose to install EV infrastructure to demonstrate its strong commitment to sustainability and community service through a targeted initiative aimed at achieving the Sustainable Libraries Initiative Certificate.

This effort is part of a broader strategy to integrate environmentally responsible practices into library operations while fostering community engagement.

Rebates & Incentives:

Make Ready Incentive: **\$25,578**

Thank you to our project partner

Driver Software Network:

The experience with Central Hudson and our vendor, Lynkwell, was a positive process. Lynkwell efficiently handled the majority of the application and incentive process, streamlining the project's execution and minimizing administrative burdens on MHLS.
