Hotel MTK

Roedel Partners

Charging Destination Information:

Location: Mt. Kisco, NY**Industry:** Hospitality**Charging Access:** Public

Use Cases:

- Tourist and visitor parking
- Guest amenity
- Workplace charging

Infrastructure Hardware:

- Ten (10) 180 kW DC Fast Charging Ports
- Four (4) 6.65 kW Level 2 Charging Ports

Overview & Goals:

Hotel MTK Mount Kisco, a modern boutique destination in Westchester County, partnered with Lynkwell to install EV charging stations on-site.

This initiative reflects the hotel's commitment to sustainability and guest satisfaction, aiming to attract EV-driving travelers while reinforcing its position as a forward-thinking leader in green hospitality.

Rebates & Incentives:

- Make Ready Incentive **\$750,000**

Thank you to our project partner

Driver Software Network:

ViaLynk
by  Lynkwell™

We started with level 2s and saw the need for fast charging. Deploying EV charging has become a major guest amenity and a competitive edge—bringing new visitors, increasing dwell time, and driving revenue across our restaurants, event spaces, and more.

Stephen Patton
