

# Colonie Town Library

## Charging Destination Information:

**Location:** Colonie, NY

**Industry:** Municipal

**Charging Access:** Public

### Use Cases:

- Community charging opportunity for visitors
- Staff workplace charging

### Infrastructure Hardware:

- Eight (8) 6.656 kW Level 2 Charging Ports

## Overview & Goals:

Colonie installed its first town-owned Level 2 EV chargers at the William K. Stanford Library in alignment with its Climate Smart goals; reduce emissions, and promote sustainability.

Supported by incentives that helped reduce the cost to the community, the project was managed by Lynkwell and aligns with ongoing green initiatives—like LED streetlight upgrades—ensuring modern conveniences and reinforcing the town's environmental leadership..

## Rebates & Incentives:

- Make Ready Incentive **\$50,400**

Thank you to our project partner

## Driver Software Network:

by Lynkwell

**"It's important that we're ever cognizant of maintaining our environment and taking all the green initiatives that we can in order to advance our town. People want to live, work and play in the Town of Colonie"**

**Peter Crummey**  
Town Supervisor
